

Bada Bing!

Ristorante Italiano

The Bada Bing! philosophy is simple. Good fresh food. Good value and lots of fun.
We want you to enjoy the Bada Bing experience.

We freshly prepare and cook all the food when you order. We are sure that you won't mind waiting while this is done but if you are in a real hurry, please let us know.
Anyone caught trying to jump the queue will be barred from having dessert – your loss!!!

The Birth of Bada Bing!

I was brought up surrounded by Italian aunts, cousins and my Pop who are passionate about their food and cooked constantly. This is where my love of food comes from. Opening a restaurant has been my dream for many years and to see it to fruition makes me both excited and proud. From myself, Peter, and my wife, Angie, we wish you many happy visits to Bada Bing!

We endeavour to use local suppliers and producers of food when possible and currently use the following local companies:
